Build your facilitating skills in this interactive workshop! All facilitators (volunteer or paid) working with adults in the parish will benefit from this mini-session. Come with your team members and learn skills and techniques you can apply in facilitating adult bible study, RCIA groups, parent sacramental sessions, and other adult formation events.

Key questions we'll address include:

- What is my role as the facilitator?
- How do I get everyone participating?
- What do I do if no one is talking?
- How can I prevent one or two people from dominating the discussion?
- What should I do when there's a disagreement?
- How can I help create a meaningful and enjoyable experience for every participant?

Participants will get answers to their own most pressing questions about facilitation and will have an opportunity for hands-on practice with facilitation skills in a safe and supportive setting. Come join us! Register online at: <http://www.tinyurl.com/FacilitatorWksp2012>

Registration Deadline: February 2, 2012. \$10 fee includes materials. Questions: Contact Nina Henry at (804) 622-5158.
